About Houston Youth Symphony 2016/2017 Season

Celebrating its 70th anniversary season, Houston Youth Symphony (HYS) is a nationally recognized nonprofit music education program whose mission is to recruit, educate, develop and nurture young musicians and provide them the opportunity to train under professional musicians and perform in professionally conducted concerts.

HYS holds annual auditions for young musicians between the ages of seven and 19. Each season, approximately 350 students are placed in one of four HYS orchestras based on the level of skill shown in that audition. HYS's young musicians come from across the greater Houston area; this season members come from 135 different schools and nine counties.

Professional conductors and instrument section coaches rehearse HYS orchestra members on Sunday afternoons throughout the school year to prepare them for at least three scheduled concerts. The HYS artistic staff has the experience, expertise and knowledge needed to work with repertoire that challenges each member's musical ability. The artistic staff consists of an artistic director/conductor and four conductors. In addition, HYS hires outstanding music professionals on a per session basis to coach members in each of their specific instrumental groups. Young musicians in the two most advanced orchestras are extended several opportunities to enhance their orchestral experience through the annual HYS Concerto Competition and the HYS Chamber Music Program.

Many of our members continue their education at some of the country's top music schools and conservatories. Each year, approximately 65% of HYS graduating seniors go on to be music majors at such notable conservatories as Curtis, Juilliard, Eastman, New England, Colburn and Oberlin and highly respected universities including Rice, Houston, Texas, Baylor, Indiana, Southern California and Michigan, to mention only a few. Others take their love of music to prestigious academic institutions such as MIT, Harvard and Stanford, and pursue music as a lifetime commitment in addition to their interests in other fields.

HYS also provides quality free music instruction in the community to 150+ children through two programs targeting low-income families. For more than 10 years, the HYS Melody Program has provided free private lessons to talented youth without the financial means to further their instruction, so that they can become better musicians while helping to improve their school music programs. In January 2015, HYS launched the Coda Music Program, an *El Sistema*-inspired after-school music education and community-building opportunity in Houston's Near Northside neighborhood.

Houston Youth Symphony has been recognized with numerous national awards, including the 2015 American Prize – Youth Orchestra Division and the 2015 Mark of Excellence presented by the Foundation for Music Education. POLICIES and PROCEDURES

Website

The website address is www.HoustonYouthSymphony.com. All information for members can be found under the “Members” tab located in the top right corner of the home page. This section contains important announcements, all forms including the Absence Form and the season calendar. The e-newsletter *Clef Notes* is sent weekly to members and their designated parent or guardian. *Clef Notes* contains important information regarding rehearsals, concerts and special opportunities. If you do not receive the weekly *Clef Notes* email, or if you prefer to receive information by mail or hard copy, please inform the office staff at rehearsal.

Tuition & Financial Aid

Tuition for the season is \$975, which breaks down to approximately \$12 per hour of instruction and performance time. Tuition covers such costs as rent for rehearsal space and concert hall, fees paid to the conducting and coaching staff, music rental and copying costs and administration.

No one is turned away from Houston Youth Symphony because of an inability to pay the tuition. Tuition assistance is available in the form of payment plans and full or partial tuition waivers for qualified Financial Aid applicants. To be considered for financial aid, complete the Financial Aid Form (available on the website or upon request) and mail it with a copy of the first two pages of your 2015 Federal Income Tax Return to Houston Youth Symphony (see address at the bottom of the page). Each request is reviewed promptly and under the strictest confidentiality.

School Band or Orchestra Participation Policy

In order to support public school music programs, HYS requires all members to have written approval from their school band or orchestra director when such a program exists. In order to uphold this policy, HYS has a School Participation Form that your band or orchestra director must sign. A student who is unable to participate in his/her school band or orchestra program may join Houston Youth Symphony only if the band or orchestra director chooses to sign the School Participation Form. This form is included on the website or upon request.

Attendance Policy

An orchestra is a unique team requiring faithful attendance by every one of its members. Any absence has an adverse impact on the quality of preparation and performance. Check your calendar **before** the first rehearsal of each concert cycle and notify the office staff if you are unable to meet the requirements. To help you plan, please review the season schedule posted on the website. Abuse of the attendance policy is grounds for a member to be dismissed from the organization without a tuition refund. Therefore, please abide by the following policies:

- Attendance at all concerts and concert-day dress rehearsals is required. In addition, all members are required to attend the Sunday rehearsal the week prior to each concert. Please schedule college visits or other extra-curricular activities accordingly. If for an unexpected reason a member cannot perform at a concert, it is up to the conductor to decide whether or not the member may continue to rehearse that particular concert cycle.
- Attendance at all rehearsals is expected. However illness, school activities or other extenuating circumstances do allow for a member to miss up to two (2) rehearsals per concert cycle. Seniors in high school are allowed one (1) additional absence per concert cycle to visit out-of-town colleges. *(continued)*

Attendance Policy (continued)

- Any student unable to meet the attendance requirement can be asked not to play the remaining rehearsals or the corresponding performance. Students may contact the office and appeal the decision if extenuating circumstances exist, such as death in the family, injury or extended illness.
- Absences that can be anticipated in advance, such as school music programs or trips, must be reported to the administrative office by completing and submitting an Absence Form as early as possible and at least two weeks before the affected rehearsal. Forms are available at every rehearsal and in the “Members” section of the website under forms. Absence forms must be signed by your conductor. If you are ill on a rehearsal day, notify the office by email (HYS@houstonyouthsymphony.com) or phone (713-785-2422) and leave a message for Ms. Worrell. Any undocumented absence is followed-up with a phone call.
- Arriving late, leaving early, returning late after the break or failure to sign in may be counted as one-half of an absence.

Rehearsals

Members should:

- **Arrive at least 15 minutes before rehearsal start time** to tune and warm up.
- **Check in with the volunteer orchestra manager and sign the attendance book.**
- **Always bring a pencil and your music stand.**
- Be ready to begin rehearsing before the conductor steps onto the podium.
- For sectionals, find your room and do not move anything until your coach arrives. Do not touch anything in the room.
- Please respect the rehearsal rooms by picking up around your chair. This includes your belongings and all trash.
- No food or beverages, except bottled water, are allowed in the building.

Music

- Music is distributed to members by mail or at rehearsals.
- Mark parts in pencil only.
- All music must be returned at the end of each concert cycle.
- Music is provided to members for educational purposes only.

Chair Tests and Sectionals

Chair tests are held each concert cycle to determine seating assignments for the upcoming concert. If a member is absent for a chair test, they are placed at the back of the section for that concert cycle. A member can make arrangements to take a chair test early, but under no circumstances may a chair test be recorded or taken after the designated date. Sectionals are conducted during scheduled rehearsals.

Cancellation of Rehearsal

Houston Youth Symphony might cancel rehearsals due to inclement weather or other natural disasters. In the event of a weather emergency or other situation where a rehearsal might be cancelled, please check the HYS website or tune to KPRC-TV Channel 2 or KHOU-TV Channel 11 for information. If possible, HYS will send email notifications. HYS uses the REMIND application to send important text notices. See *Clef Notes* for instructions on how to sign-up for REMIND.

Houston Youth Symphony Commitment Expectations

HYS members for the 2016/17 season must commit to the following:

Advance Preparation of Parts

- I will learn my part thoroughly **before** the first rehearsal of each concert cycle.
- I will ask my private teacher to help me with difficult passages.
- I will continue to practice my piece(s) outside of rehearsal time.
- I will seek out recorded performances of Houston Youth Symphony repertoire when available and listen as part of my preparation. (YouTube, Amazon.com, iTunes, Spotify and Joel's Classical Shop on Shepherd are good sources and most libraries carry standard repertoire on CD.)

Regular Attendance and Punctuality

- I have reviewed and understand the attendance policy listed on pages 3-4 in the Members' Handbook.
- I will arrive at rehearsals at least 15 minutes before the scheduled time.
- I will be in the proper place (including sectional rooms) warmed up and ready to play at the rehearsal start time.
- I will make every effort to attend all rehearsals, especially the Sunday rehearsal the week prior to each concert.
- I will check my calendar at the start of each concert cycle and inform HYS of any schedule conflicts as early as possible and at least two weeks before the affected rehearsal.

Teamwork

- I understand that an orchestra requires teamwork of the highest order and gains its strength from the commitment of each individual member.
- I will faithfully attend every rehearsal (see attendance guidelines) and contribute my share to make the orchestra the best it can be.

The following is for Percussionists only:

Percussion Equipment

- I will arrive at rehearsals 30 minutes in advance to move percussion equipment to the rehearsal areas and get it set up before other orchestra members begin arriving.
- If percussion equipment needs to be moved during break, I will help with the move before taking my break.
- I will help return the equipment to where it is stored after rehearsal.
- If repertoire calls for small instruments that neither Houston Youth Symphony nor the rehearsal school owns, I will try to bring anything that I have access to.
- I will ensure HYS percussion equipment is accounted for and in its proper place at the end of each rehearsal.

Concert Day

Dress Rehearsals: Concert day dress rehearsals are held at Rice University's Shepherd School of Music. All orchestra members must come fully dressed to their rehearsal in concert attire and must sign in with their orchestra manager upon arrival. Dress rehearsals for each orchestra are scheduled as follows:

Symphony: 12:00 p.m.

Philharmonia: 1:00 p.m.

Sinfonia: 1:45 p.m.

String Orchestra: 2:30 p.m.

Students are expected to *arrive 20 minutes before* the scheduled dress rehearsal time. Additional information is provided in the weekly e-newsletter *Clef Notes*. ****Please note times will vary for the Fall Concert on November 13.**

Concert Tickets: General admission tickets to the concerts are \$15, or \$10 for children 18 and under. They are available at Sunday rehearsals and on the HYS website starting three weeks prior to each concert date. HYS members do not need a concert ticket to listen to the concert. Group discounts are available for purchases of eight or more tickets. Call the HYS office for group discount details.

Concert Video Recording and Photography: HYS engages a professional videographer to record each concert. Videos are made available on the HYS Vimeo page and are free for streaming and available by download for a small fee. If audience members wish to make their own video (whether by camera, tablet or cell phone), they must sign-up for a designated video seat at the time of concert ticket purchase and follow detailed instructions provided at that time. Videos must be for personal use only. Any videos posted publicly on YouTube are in violation of HYS copyright and will be taken down. Still photography and the use of a flash are not permitted during the performance.

Concert Parking: Each HYS member is provided one FREE parking pass per concert. These are handed out at a Sunday rehearsal prior to each concert. Additional parking passes may be purchased for \$4 at Sunday rehearsals prior to the concert. Parking passes are NOT available on the day of the concert. Visitor parking at Rice University is available at \$1 for each 20 minutes, credit card required for entry and exit (maximum \$11). This information is subject to change.

Concert Etiquette: Houston Youth Symphony is committed to providing its musicians and its audience members with a beautiful and memorable concert experience. To help ensure this, we have a few requests:

- Enter the concert hall during designated pauses only. If you arrive late, please let the ushers help you enter the hall at an appropriate break, and take the first available seat. You can find your party at the next pause.
- A 10 minute pause occurs between each orchestra. This is the time to visit the restroom.
- Young children may not have the attention span or discipline to sit still for 20 minutes or more. Please sit toward the rear of the hall and exit quietly if your child becomes restless.
- Do not text or use tablets or smart phones that might be distracting to others (this includes video games).
- Silence all cell phones and any devices that might make a noise.

*This information is provided as a general guide.
Please refer to Clef Notes for the most up-to-date information.*

Code of Conduct and Grounds for Dismissal

Members of Houston Youth Symphony must conduct themselves in a manner that is respectful of the conductors, coaches, staff, parents, volunteers and fellow members. Disruptive, disrespectful or mean-spirited behavior will not be tolerated. This includes all HYS-sponsored activities and in virtual media including Facebook and other social outlets.

Use care and attention in handling of instruments. Respect the property of others, especially the facilities and venues where HYS rehearses and performs.

Members are not permitted to leave the rehearsal site during the scheduled rehearsal time without proper notification to HYS staff.

All members must silence cell phones upon entering an HYS rehearsal or concert venue, put them in a secure location (purse, pocket or instrument case) and leave them there until leaving the building. This policy is strictly enforced by conductors and coaches, who have the authority to confiscate a cell phone for the duration of rehearsal if necessary.

An infraction of the HYS Code of Conduct may result in disciplinary action or dismissal.

Immediate dismissal from Houston Youth Symphony could result for any of the following reasons:

- Engaging in undisciplined behavior or illegal activities while participating in Houston Youth Symphony functions. This includes, but is not limited to, vandalism, theft, or the use of illegal substances, including alcohol or tobacco products.
- The possession of a weapon.
- Expulsion from school.
- Missing a concert without properly notifying the conductor or administrative staff.

If a dismissal occurs, there is no tuition refund.

ADDITIONAL OPPORTUNITIES FOR SYMPHONY AND PHILHARMONIA MEMBERS

Houston Youth Symphony Chamber Music Program

The HYS Chamber Music Program is offered to members of the Symphony and Philharmonia and is highly recommended for students considering a career in music. The Chamber Music Program allows participants to deepen their skills as musicians and leaders and creates for them performing opportunities that enrich the community and broadens and diversifies Houston Youth Symphony's audience. Each ensemble receives professional coachings and rehearsals on Sundays before orchestra rehearsals. Master classes with guest artists are also made available to ensembles, including an ongoing partnership with the St. Cecilia Chamber Music Society. HYS ensembles perform throughout the season in area public libraries, community centers, hospitals and assisted living communities. The season culminates with a recital in Duncan Recital Hall at the Shepherd School of Music on Sunday, May 14, 2017. Additional information, including tuition and an interest form, is available on the HYS website.

The conductors check for suitability of performance by their respective orchestras, as well as for the availability of orchestral parts. The number of concerto winners is dependent on the season's repertoire. The competition is typically held in October and is adjudicated by a panel of independent judges. The entry form is available on the HYS website.

2. Concerto Competition Forms and \$50 entry fee must be submitted by October 2, 2016.

4. Pieces must be timed accurately, including all tuttis, and submitted on the entry form.
5. Movements must be **10 minutes or less**, unless approved by the conductor.
