

In order to support school music programs, HYS requires all members to participate in their school programs when such a program exists. By being a part of your school music program, you benefit by playing every day and help ensure that schools continue to value and support music education.

All Houston Youth Symphony participants must have written approval from the **head director** of their school band or orchestra program, when such a program exists. In order to uphold this policy, your band or orchestra director must sign a statement supporting your placement and involvement with HYS. A student who is unable to participate in his/her school band or orchestra program may join HYS with permission from the head director of the band or orchestra program by signing this form. *(Please note the signature of an assistant director is not valid for the purposes of this participation form.)*
